

Features:

1. Part Number: ALWL-3077
2. Material: ABS+PC
3. Capacity: 24 ports
4. Dimension: 420x260x90mm
5. Waterproof: IP65
6. Industry standard user interface, be made of high impact plastic
7. Anti-UV, Ultra violet resistant and rainfall resistant
8. Up to 24 FTTH drops
9. Wall and pole mountable
10. 3 inlet ports, 24 outlet ports

Application:

1. Widely used in FTTH access network
2. Telecommunication Networks
3. CATV Networks
4. Data communication Networks
5. Local area networks

Mounted on the Pole

Mounted on the building (wall)
