DIGITUS® Plug&View app
for Apple iOS and Google Android

DIGITUS® Plug&View OptiArc

Experience a maximum overview with DIGITUS® Plug&View OptiArc. The tilting and swiveling spherical housing reminds you to an omniscient eye. And just as this you can use OptiArc. Whether mounted on the ceiling or placed in the living room, the OptiArc provides high quality images with 2 megapixel video resolution. The supplied mounting kit allows an easy installation. Receive the images of your „omniscient eye“ with the DIGITUS® Plug&View app on your smart phone/tablet or with your favourite PC-browser. The installation is done in 3 easy steps: connect the camera to your network, scan the QR code with your smart phone or tablet and activate the camera. Everything just works with DIGITUS® Plug&View.
