DIGITUS® Network Starter-Set, 10 G/bit, CAT 6$_A$

✔ Starter-Set Complete Package

✔ 10 G/bit, Category 6$_A$

✔ various components incl. tools

✔ incl. installation guide

Abstract

DIGITUS® Network Starter-Set, 10 G/bit, CAT 6$_A$, various components, incl. installation guide

Features

- All necessary components for the installation and extension of a shielded network in one set
- The components meet the CAT 6$_A$ standard
- Incl. detailed step-for-step installation guide

Product Overview

The network starter set from DIGITUS® Professional offers all necessary components used for the installation and extension of a shielded CAT 6$_A$ network.
All components are optimal geared to each other and build the foundation for your network.
Furthermore the necessary tools are included, which round off the complete package.
The set gets completed with a detailed, pictured installation guide, which will lead you secure step-for-step through the installation processes.
