

Bluetooth® Audio Receiver with USB Charging Port

**Manual
50002**

PLEASE READ THIS INSTRUCTION MANUAL COMPLETELY BEFORE OPERATING THIS UNIT AND RETAIN THIS BOOKLET FOR FUTURE REFERENCE.

IMPORTANT SAFETY INSTRUCTIONS

- Do not use this apparatus near water (for example, a bath tub, wash bowl, kitchen sink, laundry tub, wet basement, swimming pool, or other areas located near water).
- Clean only with a dry cloth. Unplug this product from the wall outlet before cleaning.
- Do not install near any heat sources such as stoves or other apparatus (including amplifiers) that produce heat.
- Protect the power cord from being walked on or pinched, particularly at the plugs, convenience receptacles, and the point where they exit the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Unplug this apparatus when unused for long periods of time.

We do not assume any responsibility for personal injury or property damage incurred due to interaction with the Bluetooth® Music Receiver or mobile device.

INTRODUCTION

The Bluetooth® Receiver is a home audio must-have that easily links music libraries or services from any Bluetooth®-ready smart-phone, tablet or digital music player to your home stereo audio system.

Wirelessly control the CD quality sound streaming directly from your smart device from anywhere around your home, deck or pool. Having company over? Let your friends wirelessly share what they are listening to as well and make it a party!

TROUBLE SHOOTING

You can quickly solve most problems with your Bluetooth® Music Receiver by following the advice in this section.

1. My music is not coming out of the stereo speakers.

Solutions

- Make sure the Bluetooth® Music Receiver is powered.
- Make sure an audio cable is correctly and firmly connected to the Bluetooth® Music Receiver.
- Make sure one of audio cables is correctly and firmly connected to the Receiver and the stereo.
- Make sure the Receiver is powered.
- Make sure the stereo volume is set to a comfortable listening level.
- Make sure you are within range of the Receiver, and that your mobile device is connected via Bluetooth® technology with the Receiver.

2. Seems that my mobile has connected with the Bluetooth®, but there is no Music.

Solutions

- Please check if the previous linked mobile has disconnected completely. And erase the linked records if there are any; please re-connect the Bluetooth® from the very beginning.

3. There is interrupted Music Effect when I play Music from Internet.

Solutions

- Please check the mobile's internet connection status to make sure of that the Internet is smoothly and fast enough.
