

# USB 3.0 Hub, 4-port

## Quick Installation Guide

DA-70231

## Introduction:

The DIGITUS USB 3.0 4-Port hub makes it simple to connect up to 4 USB devices at the same time to a PC or Mac. Plug in your favorite USB devices and profit from the very fast connection (up to 10 times faster than USB 2.0). This product has a clear and elegant design with a piano-black finish on the top and bottom surface, as well as an aluminium edge.

## Features:

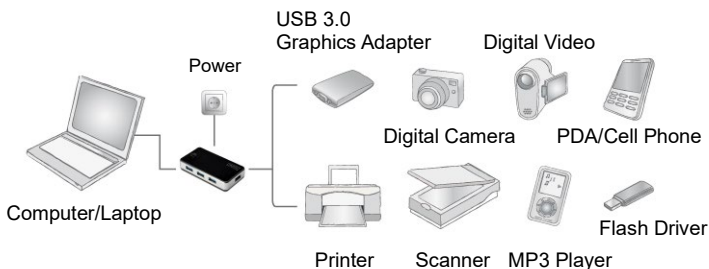

1. Compliant with the three USB (Universal Serial Bus) Specifications: 3.0, 2.0 and Revision 1.1 with the Data Rates 5 Gbps, 480 Mbps, 12 Mbps and 1.5 Mbps
2. Includes 1 upstream and 4 downstream USB ports.
3. Plug and play
4. Over-current detection and protection.
5. Connects up to 127 USB devices.
6. Supports Windows 7, Vista, XP

## Specification:

<b>Ports</b>	Four downstream port and one upstream port
<b>Compliance</b>	CE emissions and FCC regulations for home/office use
<b>Power</b>	Power supply 5V DC 3.5A

## Hardware Installation

1. Plug the included AC power adapter into the power jack at the rear of the USB 4 port hub and an electrical outlet
2. Plug the USB 3.0 A type connector into the upstream port
3. Plug the micro-USB into a computer or USB hub downstream port
4. Connects USB devices or hubs to the 4 port hub's downstream 1 ~ 4 ports.

## Important Note

The Hub must be connected to a USB 3.0-compliant host in order to function in super-speed mode (5Gbps data rate). If the Hub is connected to a USB 2.0 or 1.1-compliant host, it will operate only in high-speed, full-speed or low-speed mode (480 / 12 / 1.5 Mbps).

## Safety Instructions

Always read the safety instructions carefully

Keep this user's manual for future reference

Keep this equipment away from humidity.

If any of the following situation arises, get the equipment checked by a service technician:

- The equipment has been exposed to moisture
- The equipment has been dropped and damaged
- The equipment has obvious sign of breakage
- The equipment has not working well or you cannot get it work according to this user's manual.
