

External SSD Enclosure, M.2 - USB 3.1 Type C

Quick Installation Guide DA-71115 Rev. 2

Product Description

High Speed USB 3.1 Type-C to NGFF (M.2) SSD Storage Case - A perfect solution for data transfer or data backup!

This is a compact NGFF (M.2) SSD Enclosure which will allow you to plug in your NGFF (M.2) SSD and use it as a portable external drive at USB 3.1 speed. Super data transfer rate up to 6Gbps - 10x faster than USB 3.0. By formatting this case with a drawer function, there is now extra protection for your hard drive. Reverse compatible with USB 3.0/2.0 and 1.1, this enclosure is a perfect solution for data transfer or data backup!
