

## Test Result

**Test Date:** 29.07.2025

**Client:** ASSMANN Electronic GmbH  
Auf dem Schüffel 3  
58513 Lüdenscheid  
Germany

**Test Product:** DIGITUS by ASSMANN Monitor Mounts  
(Series)

**Category:** Office & Homeoffice

### Minimum requirement for the test product:

- Height adjustment to eye level possible (top edge of screen = max. eye level when seated)
- Depth adjustment (forward/backward) for optimal viewing distance
- Monitor tilt for reflection-free, relaxed viewing
- Tool-free fine adjustment or simple adjustment (e.g., via friction screw)
- Arm length & joints sufficiently movable for single and dual screen solutions

### Other remarks:

### Measurement methods used:

- Ergonomics Experts
