DIGITUS® Plug&View OptiMax

The DIGITUS® Plug&View OptiMax is a small professional
security camera and provides, thanks to the DIGITUS®
Plug&View system, obvious advantages compared to
standard network cameras. This DIGITUS® Plug&View
IP camera has been designed specifically for outdoor
use and can be mounted almost everywhere with its
fast wireless LAN support. Monitoring a garage yard, the
garden or the homestead, the IP66 housing protects
your camera from bad weather. The supplied mounting
kit supports a professional and simple installation.
Access the images of the OptiMax with your PC-browser
or with the DIGITUS® Plug&View app on your smart
phone or tablet. With DIGITUS® Plug&View technology
the installation of your OptiMax is done in 3 easy steps.
Everything just works with DIGITUS® Plug&View.
