for Apple iOS and Google Android

DIGITUS® Plug&View OptiZoom

The largest camera of the DIGITUS® Plug&View family secures your outdoor area deserving protection, for instance: your garden, your garage or your company grounds. With OptiZoom's 3x optical zoom adjust the wireless LAN enabled camera perfectly to the monitored area. Furthermore the camera can be rotated and swiveled. With "Power-over-Ethernet" (PoE), the camera may also be powered via the network cable. The internal memory supports the backup of recorded clips to FTP server or Google Drive. With DIGITUS® Plug&View technology the installation of your OptiZoom is done in 3 easy steps. Everything just works with DIGITUS® Plug&View.
