

## DIGITUS® Fiber Optic Cable Marking Sleeves

✓ Available with or without imprint

✓ Various colors available

✓ Tool free mounting

✓ Packaging unit: 1000 pcs in a polybag

### Abstract

DIGITUS® Fiber Optic Cable Marking Sleeves, with or without imprint, various colors available

### Features

- Available with or without imprint
- Various colors available
- Assembly without tools: The oval shape retains the stability
- Material: Soft PVC
- Length: 6 mm
- Operating temperature: -20 °C up to +90 °C
- Hard shore A: 80 ± 5
- Tensile strength: 18 MPa
- Elongation at break: 250 %
- Dielectric strength: > 20 kV/mm
- Fire performance: V0 UL94
- Use: Labeling of cables with an outer diameter of 0.6 to 8.0 mm (e.g. fiber pigtails)
- Packaging unit: 1000 pieces in a polybag

### Product Overview

The cable marking sleeves fit completely on the cable.

Assembly without tools: The oval shape retains the stability
